Your local connection

CEO's Corner

Sunday 6 February 2022 will forever be etched in the memories of the Corrigin community following the extreme weather conditions and devastating fires on that day. Our thoughts go out to the affected families as they assess the damage and calculate their losses.

Over the past few weeks we have seen amazing kindness, generosity, and a willingness to help those in need. Our community is enormously resilient and the strength shines out in adversity.

The two fires burnt across a total 45,000 hectares in the Shires of Corrigin, Bruce Rock, Kondinin and Quairading. Hundreds of local volunteer firefighters and strike teams from across the state did an amazing job in fighting the fire in dangerous conditions.

Our volunteer firefighters worked alongside DFES teams and saved many houses but unfortunately four houses and numerous sheds were destroyed or damaged in the fire. The rapid response from local farmers and veterinarians ensured that the welfare of sick and injured sheep was a priority.

There are too many people to thank individually, so many people have done extraordinary things to help out a mate.

Thank you to the volunteers who have offered to help the families with the aftermath of the fires. We have received some incredibly generous offers of assistance and everyone is keen to help. We are working as quickly as we can to match up offers of assistance with identified needs.

It is going to be a long recovery starting with the replacement of almost 200 power poles and thousands of kilometres of fences. The generosity of Farmers Across Borders, Blaze Aid, local community members and so many others has been unbelievable and a little overwhelming for some.

We know that the impact will be felt for years to come and it will take time to recover farm business productivity and the natural ecosystem but there is plenty of help at hand. The Recovery Team will be working alongside the community for some time to guide the recovery effort.

Various debrief sessions will be held over the coming weeks to reflect on what went well and the lessons learnt that may help in future.

The following local sub committees have been formed to coordinate the recovery:

- Infrastructure - working groups for fencing and clean up
- Economic - working groups for fodder/agistment, seed and donations
- Community - working group for catering and welfare support
- Natural Environment - including revegetation, soil and water.

Some working groups of volunteers will disband soon and others will be required over a longer period.

Tom Curtain Thank You Event

The Tom Curtain Outback Show was held on Friday 18 February in Apex Park to thank our local firefighters and community members for their help during the recent fires.

The event was extremely well received and enjoyed by all who attended.

Thanks to the following sponsors we were able to make the event free for all:

CBH	\$10,000
Anglo American	\$3,000
RSM Corrigin	\$1,000
Darren West	\$1,000
Mia Davies, Martin Aldridge and Colin Degrossa	\$750
Bankwest	\$200

Thank you to Emily and the staff at the CRC for pulling the event together at such short notice.

Corporate Bowls

The shire staff have enjoyed participating in the Corporate Bowls competition and last week the team took out the prize for best dressed.

Dentist

Dr John Cobley has notified the shire of his intention to end his service to the Corrigin community on 1 April 2022 after many years of service.

Dr Cobley has advised that he has enjoyed being a part of the wheatbelt community and appreciate the support and financial assistance from the Shire of Corrigin.

The shire staff will work on promoting the opportunities to set up a dental practice in Corrigin and aim to attract a new dentist to Corrigin as soon as possible.

Please contact me on 9063 2203 or email shire@corrigin.wa.gov.au if you have any questions or queries.

Natalie Manton

Shire of Corrigin
Chief Executive Officer

FEBRUARY 2021 COUNCIL DECISIONS

Development Application - Proposed Telecommunications Infrastructure

Council approved the development application submitted by CRISP Wireless Pty Ltd under the authority of Mr Alan Manton (Landowner) to erect and operate telecommunications infrastructure on private property off Bullaring Road.

CRISP Wireless

The Shire of Corrigin has received a request from CRISP Wireless to install telecommunications equipment on the existing Shire of Corrigin radio tower. Currently it has the old bush fire repeater and St John Ambulance radio repeater located on it, but neither are in use. Council authorises the CEO to obtain a market valuation for the right to use to the bush fire tower in Corrigin, give public notice of its intention to enter an agreement with CRISP wireless and enter into an agreement with CRISP wireless subject to not receiving any submissions from the advertising process.

Town Hall Ramp

Council endorses the recommendation made in the 2018 Heritage Conservation Management Strategy to remove the ramp at the main entrance of the Corrigin Town Hall and reinstate the steps to original form. A new ramp on the northern side of the building will be installed and the additional cost of restoring the original Town Hall steps and construction of the new accessible ramp will be included in the budget review.

Local Roads and Community Infrastructure

Council accepts the price submitted by Nature Play Solutions for the design and construction of the Rotary Park Redevelopment Main Play Space, which will include a board walk across the creek and installation of reticulation.

This will be funded via the Local Roads and Community Infrastructure Program Phase 3 grant, which is to support local councils to deliver priority local and community infrastructure projects.

Records Disaster Management and IT Disaster Plans

Council endorsed the IT Disaster Recovery Plan and the Records Disaster Management Plan.

2022 COUNCIL MEETING DATES

15 March
19 April
17 May
21 June
19 July
16 August
20 September
18 October
15 November
20 December

Council meets on the third Tuesday of the month, except January. Meetings commence at 3pm in Chambers and interested members of the public are welcome to attend.

MESSAGE FROM SHIRE PRESIDENT

Des Hickey

Thank you to the Corrigin community.

Sunday the 6 of February saw two devastating fires tear through 45,000 ha of the Shire. We are now aware of the devastation this has caused.

Thank you to all of the district who fought the fire and supported the people within the fire. A massive extent of support which started early in the morning on Sunday to save as much as that can be saved. The support that was mounted on Monday morning at sunrise to attend to all of the stock within the fire zone was exceptional, stock was moved to agistment, euthanised and buried. Thank you to all who were involved for the hectic next few days.

There are many who did exceptional gifts of kindness in a very difficult circumstances.

We are all proud of what Corrigin produced over the day of the fires and the weeks after, we have a long road ahead to fix the damage done, and we can be thankful we are all safe.

Special thanks to all of our Bush Fire Brigades and our **shire staff, committee's and surrounding shires for their support**, also thank you to everyone for the continued support.

Regards
Des Hickey
Cr DES HICKEY
Shire President

LOOK WHAT'S BEEN HAPPENING

Tom Curtain We're Still Here Tour

The Corrigin community turned out in huge numbers for the **Tom Curtain 'We're Still Here Tour'**. A great evening of entertainment, live music and food and drink.

It was a fantastic night for the Corrigin to come together and enjoy some community spirit in the wake of the recent fires.

Council Meetings

The February Council meeting was rescheduled to Thursday 24 February 2022 due to the fire.

Future Council meeting dates are available on the shire website and members of the public are very welcome to attend. Council meetings are generally held on the third Tuesday of the month at 3pm and there is provision at the beginning of every meeting for public questions and also for deputations or presentations.

Rotary Park

The installation of the new toilet block in Rotary Park is underway and Council voted to proceed with stage two of the Rotary Park Redevelopment at the February Council meeting. It will be exciting to see the playground take shape over the next few months.

Annual Report

The Annual Electors Meeting has been rescheduled to 15 March 2022 at 6.00pm. The Annual Report is available on the Shire of Corrigin website.

Wellness Centre Redevelopment

The tender for the redevelopment of the Wellness Centre was extended to allow contractors to provide quotes. We hope to get this project underway in the next couple of months.

The proposed redevelopment will also include a new roof over the entire building. With careful planning we hope to minimise the disruption to the Corrigin Medical Centre and Wellness Centre.

Telecommunications

The President and CEO have attended numerous meetings with State and Federal members of Parliament over the past few weeks to raise awareness of the issues related to poor battery life of our mobile phone tower.

At the last Council meeting a resolution was passed to enter into an agreement with Crisp Wireless to install telecommunications equipment on the radio tower in Corrigin which will provide the town with an alternative internet service provider.

BUSHFIRE RECOVERY

CORRIGIN FIRE UPDATE 24 February 2022

The bushfire on Sunday 6 February 2022 will be etched in our memory forever and those who have suffered losses will take a long time to recover. Over the past few weeks we have seen amazing kindness, generosity and a willingness to help those in need. Our community is enormously resilient and the strength shines out in adversity.

The two fires burnt across a total 45,000 hectares in the Shires of Corrigin, Bruce Rock, Kondinin and Quairading. Hundreds of local volunteer firefighters and strike teams from across the state attended the fires.

Four houses were destroyed and a further 15 buildings were damaged along with shearing and machinery sheds and outbuildings. Almost 200 power poles have been replaced. Approximately 1,000 injured or burnt sheep were destroyed. Farm tanks and machinery as well as stored grain, hay and farm chemicals were lost along with boundary and internal fencing. The Bilbarin Town Hall was burnt as well as road signs, guide posts and bridge guide rails.

The Recovery Team will be working alongside the community for some time to help rebuild. It will take time to recover farm business productivity and the natural ecosystem but there is plenty of help at hand.

Thank you to the volunteers who have offered to help the families with the aftermath of the recent fires. We have received some incredibly generous offers of assistance and everyone is keen to help. We are working as quickly as we can to match up offers of assistance with identified needs.

The following local sub committees have been formed to coordinate the recovery:

Infrastructure - working groups for fencing and clean up
Economic - working groups for fodder/ agistment, seed and donations
Community - working group for catering and welfare support
Natural Environment - including revegetation, soil and water.

Some working groups of volunteers will disband soon and others will be required over a longer period.

Fencing and Clean Up

Teams of volunteers have been working with local farmers to clear fence lines across the shire.

Blaze Aid have set up camp in Bruce Rock and will work in the area for 2 to 3 weeks before moving to Corrigin area. The Blaze Aid co-ordinator will be coming around to all affected farmers to discuss fencing needs including location, ground, fencing type and kilometres damaged.

Fencing will be prioritised based on amount of fencing damaged and number of livestock. Farmers will need to supply fencing materials.

A volunteer to co-ordinate general clean up of buildings, machinery and other items is still required. Shire staff and contractors will work on clearing main roads including Babakin Corrigin, Bruce Rock Corrigin and Quairading Corrigin Roads and other minor roads across the shire.

Hay and Fodder Distribution

The donations of hay, grain and straw can be collected from site near Ainsworth bin. Contact John Hewett or Steven Bolt for information on collection dates and times.

Catering

A team of volunteers catered for Farmers Across Borders hay delivery on 19 February.

A roster to cater for the evening meal for approximately 25 Blaze Aid volunteers rebuilding fences has been set up for the next 2-3 months. Contact Kellie Bell for more details.

Finance

A committee has been set up to receive donations and develop criteria for distribution of funds.

Donations can be made at Shire of Corrigin:
Corrigin Disaster Fund (Shire of Corrigin Trust Account)

BSB 086-576

Acc 50-831-1432

REF: Donor Name - Fire Donation

BUSHFIRE RECOVERY

The following funding may be available for eligible primary producers.

Interest Rate Subsidy

New loans to repair/replace assets that have been damaged or destroyed as a direct result of an eligible disaster, and for which this DRFAWA assistance measure has been activated.

Freight Subsidy

Reimbursement up to 50 per cent of the costs of transporting:

- Livestock
- Fodder or water for livestock, building or fencing equipment or machinery.

Fencing Subsidy

Reimbursement of 100% costs associated with:

- Restoration/replacement of fencing (to pre-disaster standard) where the fencing has been deliberately dismantled or damaged due to counter disaster operations activities undertaken in order to combat the eligible natural disaster event, and/or
- Reimbursement of the costs of materials only (to pre-disaster standard) to repair/replace 'boundary' fencing, damaged/lost fencing as a direct result of the eligible natural disaster event.

Only available where fencing adjoins a major road/rail transport corridor and where the roaming of livestock may present a danger to the travelling public (i.e. the aim being to preserve public safety).

Must demonstrate that the property was at that time being used to hold or agist livestock at the time of the eligible disaster event. Total cropping not eligible.

Department Biosecurity Conservation and Attractions may provide assistance with cost of clearing fence lines adjacent to Reserves contact Graeme Keals on 9881 9226 or email Grame.keals@dbca.wa.gov.au.

Professional Advice

Reimbursement of fees up to \$1,500 to obtain professional advice directly relating to addressing issues arising from an eligible natural disaster event including financial matters, hydrological or soil conservation issues, feed analysis or other stock health issues.

Eligibility Criteria

Check eligibility criteria at:

[www.dfes.wa.gov.au/recovery/Pages/Primary-
Producers.aspx](http://www.dfes.wa.gov.au/recovery/Pages/Primary-Producers.aspx)

[www.agric.wa.gov.au/emergency-response/disaster-recovery-
funding-arrangements](http://www.agric.wa.gov.au/emergency-response/disaster-recovery-funding-arrangements)

NAB Funding

Funding may be available from NAB for:

- Readiness: help communities (people, environments, infrastructure) prepare for natural disasters
- Recovery: help communities, landscapes and fauna rebuild and rehabilitate after natural disasters
- Future-proofing: reduce the risk of future natural disasters by cutting a community's carbon emissions.

[www.nab.com.au/about-us/social-impact/community/nab-
foundation-and-grants/application-guide](http://www.nab.com.au/about-us/social-impact/community/nab-foundation-and-grants/application-guide)

Asbestos

Shire staff are liaising with Department Water and Environmental Regulation on disposal options as cost of disposal is extremely expensive.

Staff are also researching funding options to cover the cost of asbestos clean up and disposal.

Water Rebate

Contact Water Corp if scheme water from farm connections was used for firefighting to arrange a rebate.

Legal

Cullen Macleod Lawyers have offered free legal advice to assist with the many issues that can arise from the fires. Catriona Macleod can be contacted at bushfirelegalinfo@cullenmacleod.com.au or call 9389 3999.

Any Questions

If you have any questions or need assistance please contact the shire at shire@corrigin.wa.gov.au or Recovery Coordinator Mike Weguelin on 0400 190 221 or Deputy Recovery Coordinator Lyn Baker on 0427 097 141.

Pulse oximeter

What you need to know!

- Are you non-Aboriginal and over 65?
- Are you Aboriginal and over 50?
- Are you pregnant?

If you answered YES to any of the above – collect a free pulse oximeter from your local government today!

What is a pulse oximeter?

It is a small, peg-like device that clips onto your fingertip to read your heart rate and blood oxygen level. It takes only one minute to work, is reusable and can be shared between other people in your household.

Why do I need one?

If you become COVID-19 positive, you may need to be remotely monitored through the WA COVID Care at Home program. By having a pulse oximeter already in your home, a health professional can assess you and provide health advice from the comfort of your home.

Visit [WA COVID Care at Home](#) for more information.

Where do I get one?

Visit your local government to collect a free pulse oximeter for you and your household (each eligible household can receive one pulse oximeter but supplies are limited).

Do **not** pick up a pulse oximeter if you are already COVID-19 positive. If you have already received a positive COVID-19 test result, the Department of Health will contact you and provide further information.

Visit [COVID-19 \(coronavirus\) \(healthywa.wa.gov.au\)](#) for more information.

This document can be made available in alternative formats on request for a person with disability.

© Department of Health 2022

Copyright to this material is vested in the State of Western Australia unless otherwise indicated. Apart from any fair dealing for the purposes of private study, research, criticism or review, as permitted under the provisions of the *Copyright Act 1968*, no part may be reproduced or re-used for any purposes whatsoever without written permission of the State of Western Australia.

Do you have a community project in mind that you need financial assistance for?

The Shire is inviting community groups, clubs and organisations to submit their application for the 2022/2023 Community Grants Program.

Application forms are available from the shire website www.corrigin.wa.gov.au or pick one up from the Shire Administration Office weekdays between 8.30am and 4.30pm.

Applications close 1 April 2022

Request for Tender – RFT01/2022 Disposal of Prime Mover

The Shire of Corrigin invites tenders for the purchase of 2011 Iveco Powerstar 6x4 Prime Mover.

Tender documents can be downloaded from the website www.corrigin.wa.gov.au

Tenderers are to satisfy themselves of the state of the prime mover offered for sale. Inspections can be arranged by contacting Mr. Phil Burgess, Manager of Works and Services, on 0429 632 203 Monday to Friday 7.30am to 4.00pm.

Tenders must be addressed to the Chief Executive Officer clearly marked Confidential RFT01/2022 - Tender for Purchase of Prime Mover and submitted by email to tenders@corrigin.wa.gov.au

Tenders close 4.00pm Tuesday 8 March 2022.

Canvassing of Councillors or Staff will disqualify tenderers.
