# CEO's Corner

There was an exciting development for the aged housing project this month with tenders called to design and construct two new units in Goyder Street. There has been strong interest in the project and several companies have conducted site visits over the past week. More information on the building details will be available once the tenders have been assessed and evaluated.

The plans to replace the aged toilet and laundry blocks at the caravan park with an new ablution and amenities block also moved forward this month with the project advertised for quotes. There has also been strong interest in this project and we look forward to starting construction on this project later in the year.

Corrigin has been selected as a refund point as part of the Container Deposit Scheme and you will soon be able to receive a 10cent refund for recycling your bottles and cans. The container deposit scheme presents an opportunity for Corrigin to attract additional customers to local businesses, provide part time employment at the refund point and receive payment for the collection service.

The deadline for implementing the scheme has been extended to 1 October 2020 and the Shire is currently looking at several options for the location of the refund point. Some of the considerations when selecting the best site include:

- convenience for people to drop off their containers,
- safety for staff and visitors to the site,
- space to securely store containers ready for collection,
- reduce potential negative impacts of rubbish, vermin smell and protection from weather.

None of the sites that Council has considered in their preliminary discussions are perfect but with careful management Corrigin can make the most of this opportunity and reduce any potential negative impacts.

The additional COVID-19 casual staff have given the team at the shire a real boost and some exciting things have been happening around town. The team have done an amazing job of raking, tidying, planting and the town is really starting to sparkle. The limestone wall at the pool has been replaced with the help of some extra staff and the new rock walls at the Wildflower Drive and Dog Cemetery are starting to take shape. Some of the additional casual staff have left to resume their normal work and we will miss the extra help when the rest of them finish up at the end of June.

The relaxation of the COVID-19 travel restrictions have given us an excellent opportunity to welcome visitors to our town and the Wheatbelt region this long weekend. Let's work together to promote the natural wonders of Corrigin, the fantastic local businesses and the friendly and welcoming people. The weather is expected to be a bit chilly but there is no better time to go for a bush walk, look for autumn orchids, toast a marshmallow on a fire or gaze at the starry night sky.

The Tourism and Economic Development Committee met last week and discussed a range of ideas. Many of the ideas could easily be started straight away and if you have an idea or a project that you think could work in Corrigin please let me know. You never know when an idea from one person might spark another idea from someone else and turn into something great.

Playgrounds and skate parks remain closed but rest of the facilities in Corrigin are open again, although with limits on the number of people and with additional cleaning requirements to keep everyone safe.

Take care, stay safe and enjoy your long weekend.

## PRESIDENTS MESSAGE

### Des Hickey

At this time we are in the midst of the worst storm of the decade, and it delivered a wonderful rain and massive amount of wind for two days. Hopefully no damage within the district.

What a change we have to look forward to. In many ways as the week is unfolding.

By the end of the week we have been told the regional borders are to be lifted, which will mean a change for a few who head north at this time of the year. Safe travels for all who do spend time on the road.

Happy belated Mothers Day to all of our community mothers, we all hope you had a great day. And to **our children back at school, well done to all of the parents who continued the children's education at home during this time.** It is time for our kids to be back at school with all of their friends.

The small amount of rain has been welcomed by our farming community and also the shire works crew, as they can continue with the maintenance work that has been carried out over the last few weeks. Many rural ratepayers have commented on the maintenance work being done and wondered why this is happening as early as it is. A lot of the work that has been done to date is in preparation for the winter grading to be done as the year progresses.

With the office nearly back to normal or as normal as we are allowed to be, the shire is business as usual, well done to all of our staff over the last few weeks, they have taken on the challenge of their jobs, to continue all of their workload from home or some time at the office. The outside staff had increased their work to include extra maintenance around town, well done the town is looking fantastic and many great comments from residents and people passing through.

With the first long weekend ahead of us, with no restrictions I would suggest many will take the option to catch up with family and friends, be safe and enjoy the break.

*Des*

## Vendor panel for local businesses

As part of our ongoing support to local business and community in the face of the current pandemic, the WA Local Government Association has facilitated access to a procurement platform specifically designed to help staff find and engage local suppliers in our procurement processes.

The VendorPanel Marketforce platform will make it easier for procurement staff to identify your local suppliers using geolocation technology and invite them to submit quotes and proposals for minor purchasing and project activity.

It is free for Members and suppliers to use. To register your business for the Vendor panel please visit <https://pages.vendorpanel.com/workwithwalocalgov>. Please contact the Shire for any further information.

The Corrigin Public Library has reopened its doors to community members. We are still however happy to arrange Mystery Boxes if you are self isolating or unable to come in simply call us on 9063 2778.

## Are you eligible for a Rates and Emergency Services Levy Rebate for your owned and self-occupied property?

If you are the holder of a current and valid card below, you may be eligible for a rebate

- Pensioner Concession Card (50% Rebate)
- Commonwealth Seniors Health Card and WA Seniors Card (50% Rebate)
- State Concession Card (50% Rebate)
- WA Seniors Card (25% Rebate)

You may be eligible for a State Government funded Rate Rebate under the provisions of the *Rates and Charges (Rebates & Deferrals) Act 1992* if you are the owner and occupier of that property on the 1<sup>st</sup> July each financial year.

Applications for these rebates can be made by phoning the Water Corporation (if you are connected to the Water Corporation water scheme) on 1300 659 951 or provide an online application via [www.watercorporation.com.au](http://www.watercorporation.com.au) or make an application in person to the Shire of Corrigin Office, 9 Lynch Street, Corrigin.

Please bring your concession cards with you for our verification of your eligibility. The eligibility date will be that of your application lodgement date with either the Shire of Corrigin or the Water Corporation and can not be back dated.

Please contact the Shire office on 9063 2203 if you would like to make further enquiries about your eligibility.

If you prefer, you can search for information on the Rates & Charges (Rates & Deferral) Act 1992 regarding your eligibility or go to [www.concessions.wa.gov.au](http://www.concessions.wa.gov.au).

# Supporting our community

The Shire recently offered short term employment to any community members who had either lost their job or had hours reduced, as a result of the COVID-19 pandemic. As a result nine locals joined our team earlier this month and have been busy working throughout the Shire giving the townsite gardens a prune and tidy up, filling rock gabion walls, raking at the cemetery, painting the old Railway building and replacing the limestone blocks around the pool edges.

**AARON RUSSELL** *"Without the opportunity to do part-time work for the Shire, I would be financially unstable and without this work I could not support my family. I am very grateful that the Shire of Corrigin has given us this chance".*

**RACHEL CALEY** *"After being made redundant and having 3 kids at home, the financial pressure was stressful. I am SO GRATEFUL to have been given the chance to earn an income and show people other employment skills I have, I have thoroughly enjoyed working with a fantastic crew of people who have been incredibly supportive of my development and personal situation. I've also loved getting out into the community. I've gained a massive appreciation for the amazing work the Shire do to keep our town running. Thank you so much".*

**MARK CHANNON** *"Great idea by the Shire, came at just the right time for me. I have really liked working with the guys and girls. Would be nice to see this scheme extended as I think it really works. If a job came up on the outside crew I would not hesitate to apply".*

## COVID-19 BUSINESS SUPPORT HOTLINE
