SUMMARY

The Audit and Risk Management Committee is asked to receive and note the Audit Results Report – Annual 2021-22 Financial Audits of Local Government Entities

BACKGROUND

The Auditor General's Audit Results Report on the annual 2021-22 financial audits of 146 local government entities was tabled in Parliament on Wednesday 23 August 2023.

The Shire of Corrigin was one of the entities audited for 2021-22 and received a clear, unqualified audit opinion.

The Shire of Corrigin received a red rating for audit readiness. This was due to the delay in providing the valuations until December/January which was held up by the availability of valuation contractors.

The report is provided to audit committee members for information purposes and contains key messages and recommendations for all local government entities. Many of these messages are also relevant to other sectors of government.

COMMENT

The Office of the Auditor General has confirmed that there is no direct reference to the Shire of Corrigin in the body of our local government audit results report table in Parliament.

All local government entities audited by the Office of the Auditor General for 2021-22 are listed in Appendix 1, along with the date of their auditor's report. The Shire of Corrigin is included on this list.

There were financial reporting challenges across the local government sector in 2021-22 financial year mostly due to the valuation of assets and interpretation of accounting standards.

To assist with improving annual financial reports the OAG has released a better practice guide on audit readiness and published an Audit Readiness Tool on their website.

The Department of Local Government, Sport and Cultural Industries has released model financial statements that work with new regulations gazetted on 30 June 2023 to support appropriately reduced reporting for some shires.

SUMMARY

The Audit and Risk Management Committee is asked to review the Long Term Financial Plan 2022 - 2037.

BACKGROUND

The Shire of Corrigin Long Term Financial Plan was adopted by Council at the Ordinary Meeting of Council on 19 April 2022.

Following a period of community consultation in 2021 the Shire of Corrigin developed a new Strategic Community Plan 2021 - 2031. A Corporate Business Plan outlining actions to achieve the desired strategic direction was developed at the same time.

The Corporate Business Plan (CBP) is underpinned by, and links through to, a range of supporting and informing policies, strategies and plans such as a Workforce Plan, Asset Management Plan and Long Term Financial Plan (LTFP).

The LTFP is the mechanism that enables local governments to determine their capability to sustainably deliver the assets and services required by the community. It allows the local government to set priorities, within its resourcing capabilities, to deliver short, medium and long term community priorities.

From these planning processes, annual budgets that are aligned with strategic objectives can be developed.

COMMENT

Moore Australia were engaged to carry out a major review of the plan for the period 2022 – 2037 aligning it with the informing strategies from the CBP with the final plan being adopted by Council in April 2022.

To retain alignment with the CBP, the LTFP needs to be a rolling document that is reviewed annually and consequently informs the annual budget to ensure that the strategic objectives are being met by Council.

A desktop review of the LTFP has been conducted by management and is presented to the committee for endorsement.
