Groups & Clubs
GUIDE

INTRODUCTION

This Guide has been produced by the Corrigin Community Resource Centre (CRC) as a means of helping locals and newcomers get to know about the wide range of Clubs and Groups with which they can get involved. Even if you've been in Corrigin your whole life, you will find this a useful guide to what each group has to offer and who to contact when you want to join.

All registered Groups and Clubs in Corrigin are asked to contribute up to date information to be included in the guide and we will annually update. So if your club or group's details change, please contact staff at the Corrigin Community Resource Centre (CRC) with details about your GROUP or CLUB or update directly on the website www.corrigin.wa.gov.au/services/item/corrigin-phonebook.

We hope you will find the Corrigin Groups & Clubs Guide a useful tool to getting involved in the many wonderful activities which Corrigin has on offer.
